You Choose Which Print Shop to Use Based on Four Things:

Quality, Reputation, Service and Price

We check all the boxes! ✓

Quality ✓

Unlike most other Print Shops, BMD has all the top-of-the-line printing and finishing equipment to ensure top-quality results for your printing job.

We are in the business of making you look great - every job - every time.

Reputation ✓

With thousands of print jobs successfully delivered since 2009, we maintain a 4.7/5 Google Rating.

Your job is our most important task - start to finish. Your work with a family-owned and operated business - not some faceless website or newly-hired employee.

Service ✓

You get the personal service you deserve from a locally-owned and operated shop that's been part of the Goodyear, AZ community since 2009.

Your job is done to your satisfaction, on time, with unsurpassed quality. Guaranteed.

Price ✓

Controlled overhead keeps our prices down.

New clients are pleasantly surprised with the VALUE they get from BMD - prices like chain copy shops or "big box" retailers coupled with the exceptional quality and service that is the hallmark of BMD.

About Us

Truly, this section should be called "About You", because without "You" there is no "Us."

I'm Brian Day, Owner and Chief Quality Master at BMD Printing in Goodyear, AZ.

I research all of the newest and best technologies so we can better serve you.

Since we started printing in 2009, we have been doing what I consider quite ordinary, but according to our customers, it is extraordinary - we LISTEN!

We listen to what you want and when you need it. We listen when you look over your proofs. We listen to your concerns and suggestions and even offer a few of our own - because it is our mission to be the best we can be for YOU.
